## **First Baptist Church Family,**

We are delighted to offer our warmest congratulations to all youths in our congregation, who will be recognized for their outstanding achievements: academics/scholastics, church participation, community service, athletics, and arts/music. They have excelled in these areas, and today we take this opportunity to showcase them.

Our goal is to motivate our students to become enthusiastic about learning, to strive to excel in whatever educational endeavors they pursue. It has often been said that heaven is a prepared place for prepared people. Here at First Baptist we strive to equip disciples to serve Jesus Christ in whatever God calls them to be. Continue to pray for ALL of our students, encouraging them whenever we can, and continually pointing them to follow the Gospel.

To our **Preschool, PreK, kindergarten, elementary, middle, and high school students**, who are being promoted to the next level of study, we certainly want to encourage you to let your imagination soar to discover the endless possibilities the future holds and develop a genuine thirst for learning and knowledge that will lead you to accomplish ever greater dreams and goals. In doing so, you may lay a solid foundation for all your future endeavors.

To our **middle school students** who are now ready to embrace the path of high school, which will be filled with new challenges and new opportunities for personal growth and development, we pray that you see each of these new challenges and each new opportunity as a necessary turn in life's highway, that must be maneuvered successfully, if you are to complete the destination to success.

To our **college students**, who will continue a quest that will direct the rest of your life, we congratulate you on all you have done to arrive at this point. Your college years are incredibly significant for you. In these few years, you will greatly expand your knowledge and your skills, and at the same time, you will be making many important choices about vocations, relationships, and careers. These years will provide a wonderful opportunity for you to grow in your faith.
